SAINSBURY'S

Thanks for all the telephone calls of encouragement before Craig went to do our pitch to Sainsbury's - unfortunately we did not win the big prize. However

Sainsbury's have given us a cheque for £250 for our funds. We will be using this to assist with the cost of one of our children's courses during the summer holidays.

Photo - Craig accepting a cheque from Grace Evens and staff at Marsh Mills along with a representative of Dartmoor Rescue and his dog (watch out Molly!) - who are to be supported by Sainsbury's this year.

BISHOP FLEMING

Thank you to all at Bishop Fleming that supported the Half marathon runners to the wonderful amount of £292.00

CLUB SAILING

Our sailing clubs are going from strength to strength each week, with a good turn out and very good mix of all abilities and skills. The weather does help considerably and with all fingers and toes crossed we are hoping this remains the case for all of our dinghy courses this holiday period.

SUMMER COURSES

We have been very lucky this year with all of our courses being supported by a variety of organisations.

The Norman Family Charitable Trust

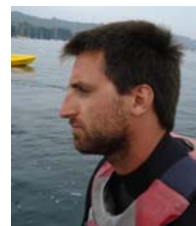

ANGUS ALLNATT CHARITABLE FOUNDATION

We are thankful for all the support that we receive, as without this help we would have to limit or maybe curtail the courses.

ENRICO

We have been very lucky to have been loaned Enrico Pongiglione who hails from Genoa in Italy. He is here to expand his already very good English, I am sure some of our local English flavour is being taken back to Italy when he returns there.

Pasties have become a staple diet and would you believe it a liking of Barrs Iron Brew!

He has been a great addition to the team these past weeks and it will be a pity he has to move on in the middle of July. We wish him all the best.

RYA INSPECTION

We were visited by Roger Collins this month during a Thursday evening sailing club for our annual RYA Inspection.

This is a detailed inspection that takes a look at all of the workings of Horizons, from our administration and documentation to our teaching standards and the quality and standards of all of our boats including safety craft.

It took a full evening to cover all of these topics and needless to say we remain accredited to the RYA for power and sail training.

TAMARSIDE SCHOOL ACTIVITIES WEEK

9 young people and two teachers took part in a weeks RYA sailing as part of the schools activities week.

Photo - Horizons version of Le-Manns

The weather was very kind to them this time plenty of sun but not a great deal of wind.

It picked up throughout the week giving them

plenty of time for the exciting sailing on Friday testing them to the full. Everyone took home an RYA dinghy sailing qualification a indication on how

much work they all put in. Some stayed behind and joined the Thursday evening sailing club.

A big thank you goes to our stalwart helpers, Richard Simpson, Will Francis and both James - Sowter and Scrivens without these helpers this course could not have been so successful.

FRIENDS AND FAMILIES

Leonard Cheshire Penzance: We took our furthest away customers to date this month, a disabled group travelled all the way from St Teresa's home in Penzance to have a session with us. A great time as had, and we already have a planned return session next month.

DAYS OUT WITH 'FRIENDSHIP'

'Friendship' provides two all day passages this month to Morice Town primary and Mount wise Primary schools.

For Mount Wise we took the morning group out to the Yealm and across to Cawsands Bay. They were

met by Richard and James on the Tub (to act as ferry boat) dropping of the children for a picnic

lunch. They then met with the other half of the class who had walked there via the Cremyll Ferry and who then took the boat back.

For Morice Town it was a new destination for Friendship - Cotehele! The class was split into two with one half taking the train to Calstock and the other half joining us for the River Cruise, crew changeover and lunch at Cotehele Quay.

Both these trips were very successful and the young people gained a better insight into the workings of the port and the history of our rivers and harbours.

PROBUS TALK

Jon travelled to the Plym Yacht Club this month to give a talk to the gentlemen of Probus where he then accepted a donation for general funds.

FUNDRAISING EVENT

One of our volunteers, a young lad from the DOVE Project (David Aiken) is running a fundraising event for us at the Seymour Arms (North Street - behind Charles Cross Police Station) on the 22 July at approximately 1900 if any one would like to support this event please either turn up on the day or give Craig a call. (These events not only raise much required unrestricted funds but also raises our profile within the wider community). If you can organise a local event please ask Jon or Craig if you would like some help.

FREE INTERNET GIVING

Thanks to all that are using the websites Easy Fundraising and every click etc we received £15 this month - it all mounts up. Anyone wishing to know how to give free money to Horizons when spending on the web please ask Craig to send you a leaflet with lots of ideas.
