

TRUSTEES NEWS

July is the month when our Schools programme comes to an end and we start to switch over to the Summer Sailing Courses when our young people will have the chance to gain RYA Certificates to confirm the skills they have developed while sailing with Horizons.

In August we will also be busy with trips on 'Friendship', including taking some of the people from the Dame Hannah Rogers Trust in their wheelchairs to enjoy the National Fireworks Competition. We will also be providing safety cover for the breakwater swim.

One of the activities that runs all year, without a break, is fund-raising. We were lucky just recently to have a substantial windfall when a kind person remembered Horizons in their will, but mostly we have to work hard to bring in the funds that help us pay the staff and maintain the fleet. Annette is the key person in this task, making lots of applications to charitable trusts that might support us financially. It can take a long time just to do one application and we are lucky if one in five is successful.

If you have any ideas about raising funds for Horizons, let us know!

Andrew Eccleston

Chair of Trustees

On behalf of Horizons trustees.

SCHOOLS OUT FOR SUMMER

Don't forget our Saturday sailing sessions close down during the school holidays and re-opens when the school term restarts in September but our Thursday evening sessions carry on throughout the summer until the season finishes at the end of October.

VOLUNTEER TRAINING

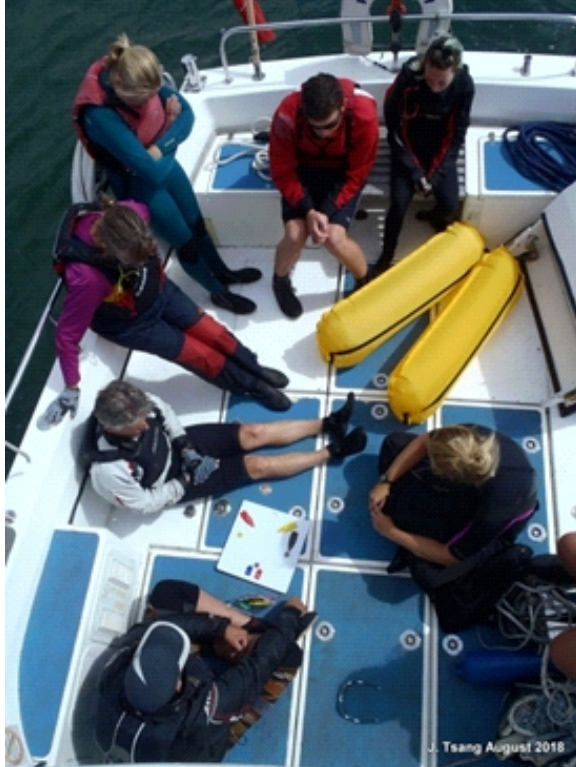

Over the summer some of our volunteers have been students on courses or have been part of the instructional team. So far this summer we have run the following RYA Courses: Start Racing, Seamanship Skills, RYA Stage 1 and 2.

We have been very lucky with the weather, and all courses have been full, or nearly full.

We look forward to seeing lots of our cadets' progress through the schemes over the summer.

Our thanks go out to all the volunteers who have given up their time to help to deliver the courses.

SUMMER SAILING COURSES

The Summer Sailing Courses start on Monday 30th July with a RYA Seamanship skills course and RYA Start Racing Course the other courses will continue throughout August.

EVENTS/FUND-RAISING BOAT REPLACEMENT PROJECT - NEW PICO'S

Thanks to a combination of grants and the sale of boat jumble over the last season we have managed to purchase two new Laser Picos to replace our oldest boats.

The Laser Picos form the bulk of our dinghy fleet and are used heavily for club sessions and during the courses we run during the school summer holidays. They are great training boats to get young people on the water.

We aim to replace 2 boats a year to keep the

fleet fresh, and our thanks goes to everyone who donated boat jumble in order to help keep the fleet replacement scheme rolling.

Joel Chadwick, from Laser Performance UK, delivered the boats to us on the 27/06/18.

ROUGHBOROUGH HOUSE CARE HOME

We would like to welcome the residents from Roughborough House Care Home who have booked sessions on Friendship again with us this year.

SAILING TRIP ON BESSIE

During the Summer holiday Andrew Eccleston (Trustee) has offered to take Horizons' Cadets and Adult Volunteers for trips on 'Bessie' again this year.

PLYMOUTH FIREWORK COMPETITION

SHORTBREAKS SESSIONS

Horizons are offering Short Breaks sailing taster sessions again this year on Friday 17th August, 10am - 3pm, Friday 24th August, 10-3pm and Friday 31st August, 10am -3pm.

A short break gives disabled children or young people opportunities to have fun doing things they enjoy and spending quality time with other young people in new environments. It also can provide parents and carers a regular planned break from their responsibilities. A short break may be for a few hours during the day, evening, overnight or for the whole weekend but it can't be provided to allow the main carer to go to work.

Not all children and families will need the same level of short breaks, and some will need more than others because of the impact of their child's disability or their individual family circumstances. See the document below for more information: [Short Breaks](#). To book your place please click on the [link](#)

WOLSELEY TRUST

Wolseley Trust has booked sessions with us again this year they will be sailing with us on Friday 3rd August & Friday 10th August.

FRIENDS & FAMILIES OF SPECIAL CHILDREN

We would like to welcome back Friends and Families of Special Children they will be sailing with Horizons on Tuesday 14th August. They are a non-profit organisation unique to Plymouth, providing information, support and services for families with disabled children. Their services give families opportunities to network and create bespoke training and educational environments. They offer individual family support and give advice on relevant issues. They run social and leisure events

allowing "time out to have fun" away from the stresses and punishing regime of caring. This allows a vital 'recharge of batteries', relieving isolation and time for young carers to have fun. Integrated activities enable children with disabilities opportunities to experience a huge diversity of sports, arts, crafts and music not elsewhere available to them or their families. They do not have an emphasis on any specific condition or disability but suggest that, regardless of the type of additional need, each family experiences similar concerns.

DIANA PRINCESS OF WALES CHALLENGE PURSUIT

This years event is due to take part on Sunday 2nd September we will be taking "Friendship of Plymouth" and 3 Hawk's.
