

TRUSTEES NEWS

You can see from this month's enews that we are getting busy on the water again. As always, our staff and volunteers have done a great job on maintaining our fleet of boats – so we are ready for summer!

Lots of work has been taking place behind the scenes over the winter and our new offices are now fully completed, together with some good quality storage space. The meeting room area has also had a full makeover.

We supported the RYA 'Push the Boat Out' project to encourage new people to experience sailing, although there wasn't much wind on the day. We'll be hoping for a bit more wind (but not too much!) for the Eddystone Pursuit next month. This is a major fundraising opportunity for us - so please make sure you sponsor one of our boats.

Thank you to all our Volunteers, Staff and Trustees as we sail in to a new season. I hope to see you on the water!
